2027 Warrington Youth Awards

Tuesday 26th January
5:30pm - 9pm

WARRINGTON YZ

An OnSide Youth Zone

About our event and audience

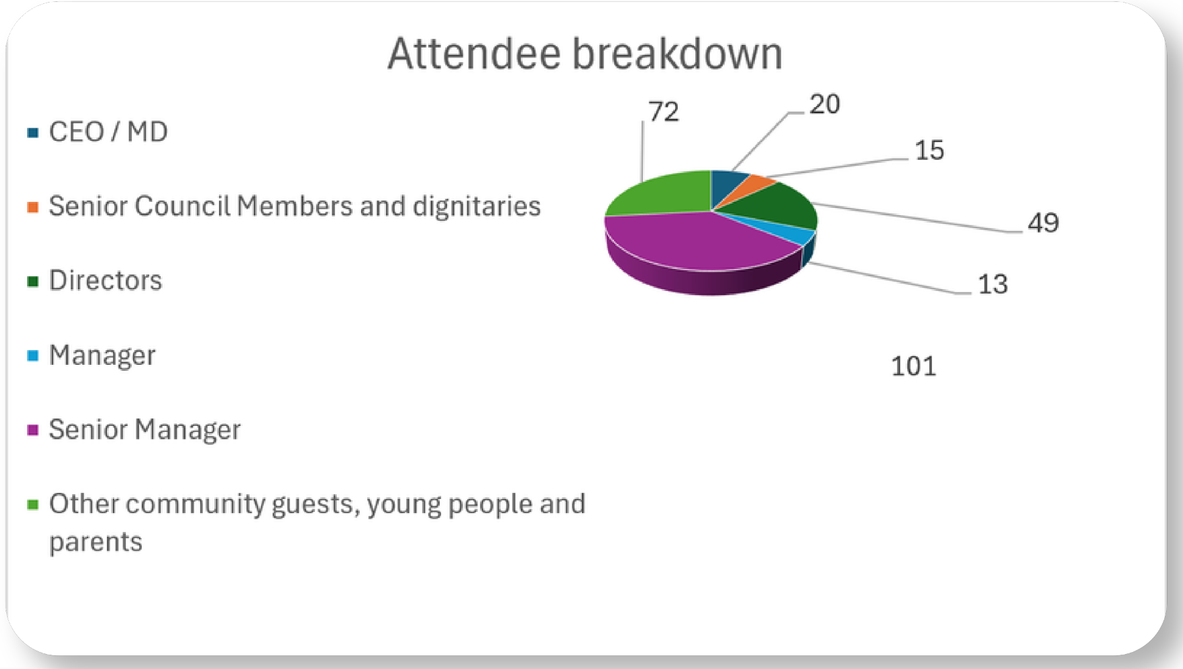

Our Youth Awards is more than just an event, it's a night that celebrates the heart and spirit of Warrington's young people.

Surrounded by their families and friends, these incredible young individuals take centre stage as we honour their achievements, courage, and determination. And we want you to join these celebrations!

In 2026, we had **270 guests** from the local and regional business community. The breakdown of the attendees is to the right.

This year, we want to make our event even bigger. And we can only do it with **your** help!
